Attendance winners

Every week we will be celebrating attendance.

The class with the best attendance this week is 2M.They had an amazing 100% attendance for this week!

Home Learning

Reading home learning is a priority. We teach the process of reading at school but practice is crucial to success. Pupils are expected to practice at home daily. Time does not allow for this in the school day. Please ensure that you support your child to read every day.

Written home learning is underway. Written home learning work is repetitive in nature to help pupils to retain important elements of their learning. Revisiting learning helps pupils make connections between old and new knowledge and to form learning pathways in the brain that are committed to long term memory. Many of these contents will not have been taught for a few weeks at school, so practice is vital. Please encourage your child to complete their homework.

Thank you

Reception Reading Meeting

Our Early Years team will be holding a Reading meeting for all our Reception parents on Thursday 2nd November in the hall at 9:15am. In the meeting they will go over how best to support your child as they start to learn to read. We look forward to seeing you there!

Reception Autumn Walk

Reminder that our Reception children will be taking part in their annual Autumn Walk on Thursday 9th November. We would love to have as many Reception parents to come along and enjoy a fabulous autumnal morning so if you are able to come along, please click on the following link to let us know:

<https://forms.gle/aPSHJkPFB6coLEcG7>

Parent Consultation Evenings

As you know, we are holding our Parent Consultation Evenings next week for years 1-6. Appointments for our reception children will be held later on in the year. These meetings are always so useful for both parents and teachers so please book a slot if you are yet to do so.

As with previous years we are offering a mixture of some face to face and some online appointments. Please be careful when booking that you are booking the right type of appointment for you. **Face to face slots are clearly labelled 'Face to Face'. All other time slots that do not state this are online appointments only.**

To book an appointment, please go to <https://studybugs.com/speak> to login (**please note - you cannot book this via the app**). Once in, choose 'speak with a teacher' at the top of the screen, and select your child's name. You will see all the available appointments (dates & times) on the right hand side which will specify if they are online or in person slots. Once you have found a slot that works for you - click 'book'. You will be sent an email from studybugs with a summary of the details of the appointment and reminders 30 minutes and 5 minutes before. Please be aware that you will still receive an email with a link and reminders even with a face to face appointment.

We look forward to seeing you soon!

After School Clubs

Please note that due to the Parent Consultation evenings next week, clubs run by teaching staff will not run. Wheels Club, Fitness Club and Singing Club will still be on. Please note that for next week only Girls' football will run on Thursday, it will return to its usual day of Wednesday after half term. Stay & Play will run as usual.

Water Bottles

Reminder that water bottles are for water only (unless there is a medical reason for this; and you have a letter stating this from the GP), not juice or squash. Keeping hydrated with water helps our brains function in everyday life. Staying hydrated has been linked to: Better concentration and enhanced short-term memory. Children are permitted juice/squash with their lunchboxes. Thank you.

Parking

Once again we must remind parents of the importance of parking considerably and carefully. A white Range Rover YH69 was reported to us as being parked on the junction of Browning Road and Mill Road making it extremely difficult and unsafe for the children crossing there.

Year 6 Secondary School Tours.

It is that time of year where the local secondary schools hold tours for the current year 6 families to help them choose which secondary schools to apply for. If your child is due to visit a secondary school, please do remember to contact the school office via Studybugs on the day to let us know where your child is. Thank you!

PTA Fundraising

Our lovely PTA work tirelessly to raise much needed funds for the school. Parents know about the various events that the PTA put on to raise money but may not necessarily know what happens to the funds once raised. The illustration below shows how much was raised last year and how your money has been spent:

Head lice

We have had a few cases of head lice this week. This weekend can you please check your child's hair and treat if necessary. Thank you.

Football Kit

If your child takes part in the Yr5/6 Football focus/Football fun sessions on a Friday please ensure that your child remembers to bring in the football kit/boots/shin pads etc- our office staff have spent most of the day making phone calls home asking to bring kit in!

Correction- Dare 2B Different Day

The PTA are holding a Dare 2 B Different day on Friday 20th October (NOT Thursday 19th as stated in last week's newsletter) To raise money for much needed funds for the school, your child could come to school in their own clothes, nail varnish, temporary tattoos, football shirts, hair chalk, chocolate or crisps as a snack (no nuts) mismatched socks, funky tights- the list is endless! It is 50p per dare which is payable either via ParentPay or cash on the day. See details on the flyer at the end of the newsletter.
