### Attendance winners

Every week we celebrate attendance.

The class with the best attendance this week is 3B. They had an amazing 100% attendance for this week!

### PTA Quiz Night

Reminder not to miss the now legendary annual Quiz Night. Hosted by the Queen of Quizzes, Mrs Cartmell! This is always such an enjoyable fun night out so don't miss out, buy your tickets on ParentPay today!

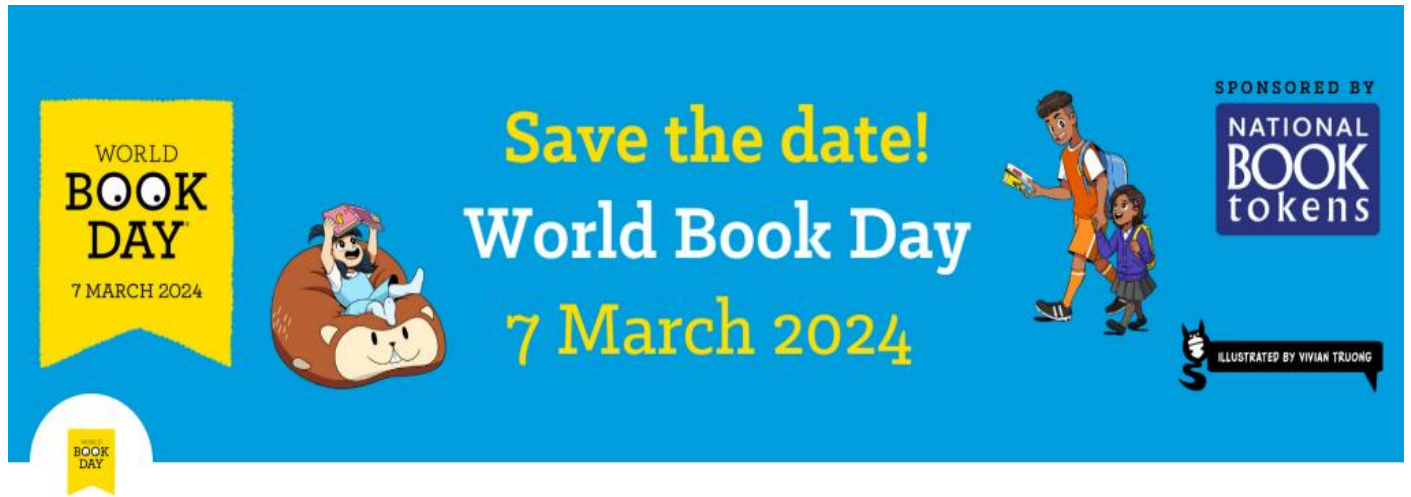

**Please don't worry if you only have a small team, you are more than welcome to battle it out on your own but if you do feel that you need more brain power then we can merge you with another small team if you wish.**

Bring your own food/nibbles, you will be able to buy drinks there but you can also bring your own- there will also be a prize for the best dressed table- we look forward to seeing you there!

### **Parking**

Please can we remind parents yet again about the importance of parking legally and safely at drop off and pick up times. Yesterday the pavement outside the Miller and Carter was completely blocked with cars. Therefore, we had children coming out of school on their own having to navigate the pavement with cars blocking their way and driving off from the pavement. Not only is this inconsiderate, this is extremely dangerous for our older children who walk home on their own.

### **World Book Day**

We have lots of exciting activities in the build up to World Book Day (March 7th). On the day, if they wish, children (& staff!) can dress up either in pyjamas or as a book character.

To celebrate World Book Day and encourage a lifelong love of reading at home and school, we will be running a sponsored read between the 4th March and the 8th March.

Children can read anything with words or spend time being read to. For example; books, magazines, recipes, comics, instructions.

All donations will be welcome via Parent Pay. The money raised will be used to buy new books for each year group.

A separate reading record will be sent home for your child to set themselves their own reading challenge. For example- older children may wish to challenge themselves to read a certain number of pages within the 5-day period. Younger children may try to read some books themselves and then have you read to them.

### **Thank you ☺**

The staff and children in Nurture are very grateful to Tim Goldsack for creating and building a wonderful secret den for them; the children absolutely love it!

### **Parent consultations**

We will be holding our parent consultation evenings on the week commencing 11<sup>th</sup> March, dates and times will go out shortly.

### **Reading**

The whole school total for words read on Accelerated Reader since September is up to an astonishing 58,000,000! Amazing work! Please keep encouraging your children to read at home and continue to build their love of reading.

### **Home Learning**

We know that we have some children who are still wanting to do home learning! As such we will be sending some home learning ideas out in the near future to keep those budding learners happy. We will also be sending out some information on how to best support your child reading at home. Remember, if your child does not want to read to you, it is equally as good to read to them as this helps grow their love of stories and reading.

### **Support information on the school website.**

We would like to draw your attention to a section on our website which many parents may find useful. It holds key information on how to access support for many different issues from the Disability Living Allowance, preparing for school and dyslexia apps to supporting with sleep issues. Go to <https://northlancing.w-sussex.sch.uk/> then go to key information/ inclusion resources. It is well worth a look.
