## **Attendance winners**

Every week we celebrate attendance.

The class with the best attendance this week is 3G

They had an amazing 99.1% attendance for this week!

## **Athlete visit**

Wow! What an athletic and fit bunch your children are! The children had an absolutely amazing time in their upbeat, high-energy circuit training with Commonwealth athlete Courtney Orange on Wednesday. They were all so excited to meet him and all left the hall after the training session completely puffed out! Courtney then took a whole school assembly showcasing his gymnastic talents and inspiring the children to become motivated and awesome in all that they do.

Sponsorship is flooding in, we hope to raise lots of money to go towards sporting equipment for the school. Any late sponsorship money needs to be in school or sent online before Monday 24<sup>th</sup> February. We will update you once we have a total.

We would like to say thank you to Courtney for being so inspiring and would especially like to thank Mrs Bothwell for all her hard work in organising this great event for the children.

### **Young Artists' Summer Show**

North Lancing has enrolled into The Young Artists' Summer Show at the Royal Academy of Arts again this year. This competition encourages young, budding artists from Reception to Year 6 to share their creative talents. There are no themes and work for the exhibitions will be selected by award winning artists, who will select artworks to be exhibited online and on-site at the Royal Academy of Arts. There are also prizes on offer for inspiring artwork.

Parents and guardians can submit their child's artwork through the website below, where North Lancing Primary School will need to be selected. When uploading your child's artwork, you will be asked to upload an image of the art, plus some information about the piece such as title, size, and a short description of the inspiration behind it.

There is lots of information on the website below about how to submit the work, details needed and also examples from previous years.

The closing date for submissions is 5th March 2025.
